

# BACK TO SCHOOL

## WITH SAMMinistries

*At SAMMinistries, our goal is to help families and individuals break the cycle of homelessness. The best way to do this is through education. Help us inspire confidence in the children SAMMinistries serves as they return to school this fall, so that they can find success both in the classroom and beyond. This year we hope to outfit 200 children with two uniforms or outfits for school, a pair of shoes and supplies!*
